Applying to Pass Degree Milestone–Continuing to Second Year

For students that have completed (or are currently enrolled in) DSC 101, IND 120, 121, and 122 with a "C" or better.

Applying to pass the degree milestone requirement is competitive and limited by available resources. Students who are applying to more than one program must submit a separate application for each program. Transfers into programs are considered on a space available basis, and such transfers are limited to students with equivalent course work (see "Transfer Students and Transfer Work"). Transfer students must be admitted to ASU prior to the application deadline to be eligible to apply online to pass the degree milestone. Students that do not pass the degree milestone should see an academic advisor if they need assistance.
